

A very crucial decision having power to transform the result potential of your ward

Dear Parent,

Many a times it is observed that students are not being able to balance their schedule of the school & rigors of preparation for the entrance exam such as JEE(M&A), KVPY, Olympiads etc. Not to mention of relaxation & sports, even students hardly find any bulk of time as “**SELF STUDY HOUR**”. We all know that without “practice & self study” achieving success in competitive exam is next to impossible.

You will be happy to know that with an intention to help the students to realize their dreams in a strategic & student friendly manner, FIITJEE have introduced **Integrated School Program (PINNACLE) at BBSR. It is available both in CBSE & CHSE curriculum for XI &XII segment.** In these FIITJEE professors takes care of both the preparation for board exam as well as that for entrance exam.

This Integrated Program enables the students to get bulk of time for self study, which is an essential component of preparation for entrance exam. Added to this more time duration of interaction between faculty & student helps in better absorption of concept and facilitates timely doubt clearance, which otherwise is left till the student and faculty get a common available slot due to his/her school timings. **Overall the pinnacle program optimizes results and enables the student to experience success in a stress free way.**

As the number of seats for Pinnacle batches are limited (40 seats in CBSE(Unit-9), 40 seats in CBSE(Patia) & 40 seats in CHSE(Unit-9)), **we are giving preference to our continuing students at FIITJEE.** No request can be entertained after the seats get filled.

If you want to avail this benefit of upgrading to Pinnacle program then you need to submit a written application before 5th of December to AO dept at FIITJEE BBSR Center. If you want to know more please drop an e-mail to pk.dash@fiitjee.com to book your appointment, else send a text sms “APPOINTMENT” with preferred date to ‘8895301711’.

We urge you to explore this option before finalizing the school for your ward for XI & XII.

Let’s together devise a strategy which will enable them to actualize their hidden potential &realize the best of result in whatever target they aspire for and to experience success in a stress free way.
