

Dear Parent,

At the outset we extend our thanks for your continued patronage and good wishes, which has enabled us to produce excellent results in JEE (Mains), JEE (Adv), KVPY, NTSE, Olympiads, Boards & other competitive exam.

Your faith in FIITJEE system & the sincere effort of the students have motivated us to produce still better results for your students in the forthcoming years.

Let's together devise a strategy which will enable our students to experience success in a stress free way. Students must get good amount of time for their self study to harness their potentials to extra ordinary output.

**This is our pleasure to inform you that with an intention to help the students to realize their dreams in a strategic & student friendly manner, we have started Integrated Program (PINNACLE) at BBSR. It is available both in CBSE & CHSE curriculum.**

In usual circumstances, a major portion of the time available to a student remains unproductive during school hours. Pinnacle program utilize that time towards focused preparation for both competitive exam (JEE) & board exam. This enables the students to get bulk of time for self study, which is an essential component of preparation for entrance exam. Added to this more time of interaction between faculty & student helps in better absorption of concept and facilitates timely doubt clearance, which otherwise is left till the student and faculty get a common available slot due to his/her school timings. **Overall the pinnacle program optimizes results and enables the student to experience success in a stress free way.**

As the number of seats for Pinnacle batches are limited (40 each in CBSE & CHSE), **we are giving first preference to our continuing students. If you want to avail this benefit of upgrading to Pinnacle program then you need to submit a written application before 1<sup>st</sup> of December to AO dept. at FIITJEE BBSR Center.** If you want to know more please drop a e-mail to [deepakKumar.das@fiitjee.com](mailto:deepakKumar.das@fiitjee.com) to book your appointment, else send a text sms "APPOINTMENT" with preferred date to '8895301711'.

We urge you to explore this option before finalizing the school for your ward for XI & XII.

Let's leave no stone unturned to actualize the hidden potential of our student and to fetch them the best of result in whatever target they aspire for.
