Note: In case of any change in the above schedule due to unforeseen & unavoidable reasons, the same will be put-up on website: [www.fiiitjee-distancelearning.com](http://www.fiiitjee-distancelearning.com)

\* It is suggested that you take all the tests at home during the JEE timings, thereby making sure your biological clocks are tuned for peak performance on the JEE day. If you get habituated to taking the test at night, your body and mind get tuned for the best performance at night but that may not be of much avail on the JEE day.

# **Concept Recapitulation Test Papers** are Practice Test Papers through which particular concepts are to be revised. These papers are very helpful to revise the topic of Physics, Chemistry & Mathematics without actually revising the entire theory. In these papers, representative problems are there from various concepts of JEE syllabus, through which students can recapitulate entire topics before JEE within short span of time.
